MONIVAE COLLEGE **LEADERSHIP** *Statement*

Inspired by the vision of Jules Chevalier, and grounded in the spirituality of the Missionaries of the Sacred Heart, we are servant leaders — placing the dignity of each person, especially our students, at the centre of every decision. Our Leadership Team is committed to the College's Mission and Vision, to the values of love, positive relationships, and compassion.

We understand leadership at Monivae not as authority, but as stewardship. We are entrusted with the governance, culture and future direction of the College, and we act on that responsibility with humility, courage, integrity and authenticity.

In all we do, we aim to be faithful stewards of a thriving and sustainable Catholic learning community; one that nurtures growth, resilience, empathy and success.
